FILL IT OUT  GET MONEY FOR COLLEGE

www.fafsa.gov

Completing the Free Application for Federal Student Aid, also known as the FAFSA, is the most important step you can take to get money to help pay for college.

All federal financial aid programs, most programs offered by the State of West Virginia, and many programs offered by individual colleges require students to complete the FAFSA form.

It's free to apply and only takes about 30 minutes. Get started today by visiting www.fafsa.gov.

If possible, try to submit your FAFSA by April 15 in order to be considered for funds provided by the West Virginia Higher Education grant — a program awarding funds based on financial need.
