

# WHAT IS CFWV?

(Hint: It's the site that makes planning, applying, and paying for college a whole lot easier.)

College for West Virginia (CFWV) provides free resources to help students and families plan, apply, and pay for education and training beyond high school. CFWV.com is a free website that features career and college exploration tools, information about all federal- and state-level financial aid programs (including the PROMISE Scholarship and Higher Education Grant Program), and details about the state's colleges and universities. **Get started at CFWV.com!**

## for HIGH SCHOOL STUDENTS

CFWV.com can help you get ready for the next stage in your life—whether that's high school, college, or a career. Practice for tests, explore careers, learn about campus life, and find cash for college!

Of course, all this planning can get a little stressful. To help you deal, CFWV.com even lets you create a portfolio. That way, you can easily keep track of everything happening in your life right now.

- scholarship finder
- career interest profiler
- college and university profiles
- FREE ACT/SAT prep tools

## for PARENTS

CFWV.com can help you and your child plan educational and career goals, and the site offers plenty of tips for family members who want to help their student get the most out of their education.

Resources on the site can help you calculate the cost of college, learn about college admissions requirements, and find a college or university that's a good fit for your student.

## for EDUCATORS

Counselors can track students' progress, see which students have applied to colleges, and send messages and reminders to students through CFWV.com.

Teachers can use CFWV.com to help students explore their options after high school and practice for tests like the ACT and SAT. There are even resources designed to help students study smarter.
