MAIN IDEA/ QUESTION	What terms do students need to be familiar with regarding college or post-secondary education
HANDOUTS	Attachment 1 List of terms Attachment 2 List of definitions Handout 1 Blank BINGO card
LESSON INTRODUCTION:	There are many terms we use regarding college, admissions, and school in general. This game will allow students a chance to hear terms we use and find out what they mean while also having some fun with them.
LESSON AGENDA/ PROCEDURE:	<p>Directions: Display College Terms. Have students fill in blank bingo boards with terms. Ask if there are any terms that are unfamiliar. If so, explain the term by reading the definition and discussing it. Once participants have their cards filled in, decide on the type of bingo game to be played: Lines, T's, U's, Squares, or Blackout.</p> <ol style="list-style-type: none">1. Begin the game by pulling out a term from the bowl or bag. Do NOT read the college term piece aloud. Instead, read the definition of the college term.2. Participants may guess the term and shout it out.3. Discuss this term with students.4. Students, who have this term on their card, should mark the box.5. Once a participant obtains a "bingo", he or she should call out "GEAR UP".6. Check answers and award prize to the winner.7. Continue playing or start a new game.
