

CFWV LESSON PLAN: “IT’S MY CAREER...FAIR”

LESSON NAME:	“It’s My Career...Fair”
GRADE LEVEL(S):	6th Grade
LESSON STANDARDS(S):	DSS.6.7 Develop Learning Skills DSS.6.9 Prepare for Post-Secondary Success DSS.6.11 Develop Career Awareness DSS.6.12 Develop Career and Life Plan DSS.6.13 Careers and Life Success
MAIN IDEA/ QUESTION	What is important for students to know about the careers they are interested in?
HANDOUTS	Handout 1
LESSON INTRODUCTION:	Students will research a career that is interesting to them after signing up for one. They will develop a presentation and or power point about the career.
LESSON AGENDA/ PROCEDURE:	<ol style="list-style-type: none">1. Have a discussion in class with students about what is important for them to know about the career they want to pursue in life. Make a list of those things2. Show students videos from TeacherVision or allow them time to look at the videos themselves https://www.teachervision.com/career-counseling3. Provide students with Handout 14. Give students time to research their career and develop their presentation Have a “career” day for students to present their career to the rest of the class.
CLOSING ACTIVITY:	Handout 2
ASSESSMENT (IF APPLICABLE):	RUBRIC included

LESSON REFLECTION (FOR TEACHER OF LESSON): Do you have any suggestions to improve this lesson? What did you like best?

NOTES: If students have severe anxiety presenting to the class you could simply have them submit their assignments as a power point.
